23/08/11	DA/2011/0623	The Manor House, Stubbs Road, Everdon, NN11 3BN	Work to trees in conservation area	Supported
22/09/11	DA/2011/0674	The Limes, Little Everdon Road, Everdon, Northamptonshire, NN11 3BG	Listed Building Consent for alterations to main house (including replace stairs), demolition and reconstruction of outbuildings	<ol style="list-style-type: none"> 1. We wish to firmly oppose the application because we feel that the existing barn and stable block are integral to the overall substance of the property and form an important historical part of the listed curtilage. They also showcase how the building has been used in the past and we strongly believe that it should be repaired and not demolished. 2. The Council also believes that the internal work to the Limes is contentious, particularly in respect of the new staircase layout as it will substantially alter the character of the listed building.
