Dear Mr Peters,

Re: Works to Trees within a Conservation Area, at The Gables, High Street, Everdon.

Let me start by apologising for the delay in issuing a decision. With reference to your application dated 2nd December 2019 notifying this Council of your intention to deadwood and crown lift a veteran horse chestnut on land adjacent to the above property within the Conservation Area this Council has decided not to make a Tree Preservation Order on the tree and so you are permitted to undertake the proposed works as outlined in the aforementioned application.

The proposed works should be carried out within 2 years of the date of this letter

Regards

Michael Venton
Landscape Planning Officer.
