Subject: Carer's Services Questionnaire

## **Carer's Services Questionnaire**

Northamptonshire County Council in association with the Carers Association, the Clinical Commissioning Group and voluntary sector partners have developed a survey to seek the views of carers to help shape future services.

This questionnaire is one of a number of different engagement activities we are carrying out in order to help us better understand the experience of being a carer in Northamptonshire. Results from all of these activities will be used to help inform what carers services and support should look like in the future.

Please help us by completing this [questionnaire](#).

If you have any questions about this survey or about any of the other engagement activities then please contact Julia Partridge: [jpartridge@northamptonshire.gov.uk](mailto:jpartridge@northamptonshire.gov.uk)

**This survey closes on 14 February 2020.**
