

Northants CALC's Training Newsletter

January 2020 Edition

Marie Reilly, Assoc. CIPD, Training Manager, NCALC mreilly@northantscalc.com, 01327 831482

Hello and welcome to the first edition of the new training newsletter.

Please circulate to all your Councillors.

Training Statement and Budgets

You should all by now have an idea what your budgets are going to look like for the next financial year, but have you included a budget for training? And do you have a Training plan to back up your budget allocation for training? If not, get in touch and we can help. We have a sample Training of Intent Statement as well as a sample training plan that can help you and your council plan for training. Drop me an email for more information

Outdoor Play and Gym Workshop and Exhibition

After the huge success of the Street Lighting conference, this year we are planning another conference with the theme of play equipment. We will have expert speakers share with us the science behind developing play equipment, how to plan your project, where you can apply for funding the maximise your project as well as stories from councils who have recently purchased new play equipment or refurbished their local play areas.

Places are limited so [book](#) early to avoid disappointment 26 June 2020 10:00-15:15.

Elections

With elections in 2020 we have planned a workshop to help answer some of those burning questions about elections, how to promote candidacy and the practicalities of elections.

[Book now](#) to secure your place **2 March 2020 10:00-12:30 Council Chamber, Swanspool House, Doddington Road, Wellingborough, NN8 1BP**

Off to a Flying Start

2020 is going to be a busy year with local elections so we have planned more Off to a Flying Start courses to capture all your new Councillors. Below are the next few dates:
